

MATH 2934 Section 070
Differential and Integral Calculus III
T,Th 10:30 – 11:45, PHSC 0416
W 11:30-11:20 , PHSC 0416

Instructor: Dr. Keri Kornelson

Office: PHSC 926

Phone: (405) 325-7946

email: kkornelson@ou.edu

Office Hours: (To Be Determined) I am happy to set up an appointment if you cannot come to office hours.

Discussion Session: M 2:30 – 3:20, PHSC 0359 **Discussion Leader:** Benjiman Tharp

Course Assignments and Announcements: The homework assignments and other announcements will be posted on the D2L (learn.ou.edu). You will be notified by email of any changes in the posted assignments.

Textbook: *Calculus*, 7E by James Stewart, published by Thomson Brooks/Cole.

Grading: Your grade will be determined by homework assignments, quizzes, i>Clicker responses (see below), three in-class exams, and a cumulative final exam. There will be homework assigned from the textbook and also problems given using the online homework system Webwork. More information about Webwork will be given in class. The weights of each of these are shown below.

Written Homework	15%	
Webwork	10%	
i>Clicker	5%	
Quizzes	5%	
Exam 1	10%	Wednesday, September 16, 2015
Exam 2	15%	Wednesday, October 14, 2015
Exam 3	15%	Wednesday, November 18, 2015
Final	25%	Thursday, December 17, 2015 8:00 a.m. - 10:00 a.m. in PHSC 0416

Calculators will not be allowed on the exams and in-class quizzes.

You must take the exams at their scheduled time and location, unless you have a university sanctioned excuse. *Do not plan your travel arrangements for Thanksgiving or the end of the semester until you have checked your exam schedule in all of your classes!*

Grade Assignment: Grades will be assigned according to the following scheme.

A	B	C	D	F
90.0 – 100 %	80.0 – 89.9 %	70.0 - 79.9%	60.0 - 69.9 %	below 60%

Discussion Session / Quizzes: This class consists of lectures and a discussion session. The discussion session meets once per week with the discussion leader. In these session, there will be short quizzes followed by the opportunity to ask questions about the assignments and course material for the week.

i>Clicker Response System: You will be required to buy or rent an i>Clicker 2 response unit (clicker). They are available at the bookstore. There will be a number of times during lecture when you will be asked to respond using your clicker. This part of your grade will be determined by a combination of participation (answering all the questions) and correctness.

Homework: The written homework assignments will be posted on D2L and will be collected in class, generally on Tuesdays. The Webwork assignments will generally be due before the start of class on Thursdays. Any changes to the schedule or assignments will be announced in class and posted on D2L. On the written work, please write neatly, explain your computations and reasoning, and staple assignments which have more than one page.

Missed Assignment Policy: Late assignments will not be accepted and there will be no makeups for missed quizzes and clicker responses. Instead, the lowest 2 written homework, 2 Webwork, and 2 quiz grades will be dropped. There will also be 5 days of dropped clicker days.

Math Center: Have some questions about your homework? The Math Center (**PHSC 209**) is open and staffed with experienced math majors and graduate students to help you out. The Math Center hours and other information can be found at www.math.ou.edu/undergrad/mathcenter.html. This is a valuable source of assistance in this course, so take advantage of it!

Make-Up Policy: Make-ups for missed exams will only be allowed for a university-approved excuse in writing. Please let me know as early as possible in the semester if you must miss an exam due to an athletic event or other college activity.

Some Important Dates:

- Labor Day holiday, no class meeting: Monday, September 7, 2015.
- Texas football game weekend, no class meeting: Friday, October 9, 2015.
- Last day to withdraw with a W without petitioning your Dean: Friday, October 30, 2015.
- Thanksgiving holiday: Wed. - Fri., November 25–27, 2015.

Non-Discrimination Statement: The University does not discriminate on the basis of race, color, national origin, sex, sexual orientation, genetic information, age, religion, disability, political beliefs, or status as a veteran in any of its policies, practices, or procedures.

Academic Misconduct: You are permitted (in fact encouraged) to work together and ask for assistance in solving homework problems, but you must write up the assignments independently. Work completed on exams and closed-book quizzes must be exclusively your own.

Academic dishonesty will not be tolerated in this course. *Don't do it!* You are responsible for reading and abiding by the University's policies concerning academic misconduct. Information about academic misconduct can be found at <http://integrity.ou.edu>. From here, you can find a link to the Academic Integrity Code.

All cases of suspected academic misconduct will be referred to the Dean of the College of Arts and Sciences for prosecution under the University's Academic Misconduct Code.

Accommodation of Disabilities: Please inform me as soon as possible if you have a disability or special need which requires accommodation in order for you to participate fully in this course. Students with disabilities must be registered with the Office of Disability Services prior to receiving accommodations in this course. The Office of Disability Services is located in Goddard Health Center, Suite 166, phone: (405) 325-3852 or TDD only (405) 325-4173.

Religious holidays: It is the policy of the University to excuse the absences of students that result from religious observances and to provide without penalty for the rescheduling of examinations and additional required class work that may fall on religious holidays. If you plan to observe a religious holiday that may conflict with a meeting or examination time of this course, please contact me during the first two weeks of the semester so that we can make appropriate arrangements.
